Greetings from TUAS Student Tutors!

Congratulations on being accepted to Turku University of Applied Sciences (TUAS). It is always a delight to welcome new students to our modern ICT campus.

We are your student tutors, which means that we get to provide you with the necessary information and help for the duration of your studies here at TUAS.

Feel free to ask us about whatever you need: accommodation, Finnish culture, information on visas and study-related matters. We will try to answer all your inquiries as clearly and as informative as we can.

For easier distribution of information we have created a Facebook group page for your class of 2016. **Please, join the TUAS PINFOS16 group by following this link**: **https://www.facebook.com/groups/PINFOS16/**
