## Easy travel with Föli

**Turku Region Public Transport Föli operates in  
Turku, Kaarina, Raisio, Naantali, Lieto and Rusko.  
As a student, you can get around easily and  
cost-effectively throughout the entire Föli  
area at the same price.**

Föli accepts  
contactless  
payment!

### Föli is a student's friend

As a student, you can get a student discount on a loadable travel card.

You can buy a Föli card at a service point for 5 euros, and then load the card at service points or loading points, the Föli shop or a ticket machine, or you can use the Föli app. No student discount is granted for single tickets and fares paid with contactless payment.

# FÖLI

## Log in with Haka for identification

Students must prove their student status in order to receive a student discount on their Föli card. Student identification can be done at service points and by logging in with Haka in the Föli shop.

1. Register as a Föli shop user.
2. Log in. Find Haka identification on the profile page.
3. After identification, you can load your travel card at student prices. The discount is valid until the end of each academic year.

## TIP!

Föli has 8 service points where you can buy a Föli card. You can find Monitor at the Market Square at Aurakatu 8, Turku.
