## Events

Student union TUO organize many different events throughout the year!

Our biggest event is Keltanokkabileet - the Freshman Party! Keltanokkabileet or more familiarly KNB, is intended specifically for new students.

You should follow TUO's Instagram and Facebook we update social media with the most up-to-date information about all events!

## TUO actives

There is also a possibility to be TUO-active. As a active of TUO you can help the board organizing events, communication or in various working groups. If you want to be one of the TUO-actives, check more information on our website!

## Advocacy policy

We work actively as a community in the working committees and decision-making bodies of TUAS to improve the services and teaching and for quality control.

In addition to TUAS we work together with other student unions, both in Turku as well as on a national level. As our member you can also use the legal counseling offered by the Legal Aid Committee Lex ry.

We work continuously as the influencing voice of the students for the decision-makers of Turku and the parties offering student health care services.
