

2019/ ts

Student Health Care Center requires all the students who have lived / stayed in countries with very high risk of tuberculosis (see list below) for more than 3 months to return the following health documents.

Documents have to be provided in the country where you are invited to study from.

The documents must be filled in English.

1. Doctor's statement of health
2. Result of Thorax X-ray. Statement has to be less than 3 months old; must be normal, do not send X-ray images.

Please send the documents to the following address by post before your arrival to TUAS:

Student Health Care Center
Hämeenkatu 10, 3rd floor
20500 Turku
Finland

It is strongly recommended that You send the required Health Documents before your arrival.

Student Health Care is closed from the 22nd of June until the 21st of July. Do not send your Health Documents during this time.
