

# Master of Engineering, Quality Management

Welcome to study at Turku University of Applied Sciences Master School! It is our delight to welcome you and other new students to our university.

We look forward to meeting you online during the two orientation days of studies on 2<sup>nd</sup> and 3<sup>rd</sup> September 2024. It is important to participate in the orientation because during that time you will be given all the necessary information to succeed in your studies.

Please read the following information carefully to prepare for the start of your studies.

## Start of the studies

- Starting time: The first online meeting starts on Monday 2nd September 2024 at 8:30 (EEST)
- Location: [Zoom Meeting](#)
- Your group code is YQMES24V
- Be prepared to show your valid ID
- **Pre-assignment 1:** For the first meetings on 2<sup>nd</sup> and 3<sup>rd</sup> September 2024 with your tutor teacher, bring a draft of your thesis proposal(s) with you. Please ensure that you have at least three proposals to discuss. Remember, the goal of this assignment is not to create a perfect proposal but to initiate a dialogue and receive feedback. Our discussions will help refine your research ideas and ensure the good smooth start of the Research and Development Method Course.
- **Pre-assignment 2:** For the *Future Operating Environments* course, see the next page.

## Master School Opening Day: Monday 2.9.2024

08:30–10:15 **Quality Management degree programme's info** (Zoom Meeting opens at 8:15)

10:15–10:30 Coffee break

10:30–11:30 **Master School opening** (you will receive the Zoom link during the info session in the morning)
