Degree Programme Introductory Day: Tuesday 3.9.2024 at Kupittaa Campus

You will meet your tutoring group at the Kupittaa Campus ([Lemppari Building](#)), Lemminkäisenkatu 30, Turku. Classroom is LEM_A317. During the day you will go through information systems and practical issues concerning your studies. Prepare to show your ID.

Contact days after the orientation week:

16.9., 7.10.–8.10, 4.11.–5.11., 25.11. and 2.12.–3.12.

Some of the courses on these days are online.

Pre-assignment for Future Operating Environments course:

All Turku UAS Master School's programmes include a compulsory course The Future Operating Environments. Course will start already on Turku UAS Master School Opening Day 2.9.2024 with an orientation to the course and multiprofessional team discussions in which team members share experiences and thoughts on the impacts of megatrends on their professional field and their own work. Familiarize yourself with the following materials and be prepared to discuss megatrends on the opening day:

- Sitra 2023: [Megatrends](#)
- Sitra 2023: [Megatrend cards 2023](#)
