

FILM & MEDIA

These are the courses for exchange students in the spring of 2020:

PROJECT STUDIES, 2081162, 5 or 10 ECTS

tutored in the Project Café:

In Project Studies, students apply their skills in practical work life projects, research and development projects and in their own productions. Projects can be either true client service work or independent projects without customers. Projects can be works of visual design, series of journalism or images, publications, texts and lay-out campaigns or marketing plans, social media campaigns, event productions, festivals, various media and communications sector plans, works of moving image, etc.

PROJECT PLANNING, 2081309, 5 ECTS

lectures and assignments:

- develop a project plan for a small-scale project
- define project activities and resources and assess project risks
- analyse and develop time use and plan a feasible schedule
- make a small project cost estimate using a spreadsheet program
- identify issues affecting team building and operations
- assess the working team and project work skills

SCREENWRITING PROJECTS, 2081162, 5 or 10 ECTS

Individual screenwriting projects are tutored in the Script Clinic.

CAMPUS RADIO, KU00BG37, 5 ECTS

radio production:

- The policy of a community radio
- Working in the production: content production or / and marketing
- Developing the campus radio concept

MOBILE DOCUMENTARY, 2081288, 5 ECTS

video production:

During the course, every student makes a documentary production with a mobile phone. The theme of these documentaries will be same for everyone.

The short documentaries (3-7 min) can be based on interviews of the experts, intimate and very personal pieces of art, reportages of people or anything else you can create out of each year's theme. The style and mode is free but the tool is a mobile phone and the documentary has to be based on reality and facts.

- research and planning of a documentary or a reportage
- shooting with mobile phone
- editing a video

ANIMATION STUDIES, COURSE CODE, 15 ECTS

lectures and assignments.

Detailed study plan will be published later.

BACHELOR'S THESIS PROCESS, 2001045, 5 ECTS

tutored writing.

In bachelor's thesis student uses independently methods and skills learnt during the studies to research and develop practises and / or artistic / media productions.
