Instrument Pedagogy

1. Welcome! 2. Rules in this learning environment 3. Guitar Learning Matrix. 4. Oman soittoasennon analysointia 5. Palautekeskustelu 1
6. Itsearviontia 7. Palautekeskustelu 2 8. Opetuskeskustelu kirjallisuuden pohja 9. Live Chat, final course survey and se

Welcome to the online environment of the Instrument Pedagogy course!

First watch the demo [video](#) of the course and the workspace.

Start with the individual pre-assignment, the answers to which are visible only to the teacher. This assignment should be completed before our first online meeting. The assignment is below.

Find the most horrible playing position from YouTube. Upload links to the videos in the course discussion area 'Music Café' and tell about the reasons for your choice.
